David Carter has been appointed president of the Packaging Council at an important time for the packaged goods industry just as the five-year Packaging Accord comes to an end. The group environment and technical projects director for Lion Nathan has been chairman of the Glass Packaging Forum since the organisation was established three years ago.

Boon for CO WasteBusters

Sorting glass has been made easier for Central Otago WasteBusters, thanks to the national Glass Packing Forum organisation. The forum has contributed about \$30,000 to go towards the buying of a JCB forklift. WasteBusters manager Karen Noble said the machinery would be invaluable to WasteBusters, as it would speed up sorting.
